

Player Registration - Season 2010-11

Please complete this Club registration form and return to me electronically (if possible) and the fee to me or Church office ASAP.

As usual we will be playing home games at Waring Park. For matches shirts are provided and as last season players must provide their own shorts and socks (black shorts and white socks if possible).

Registration this year is being heavily subsidised by the Church as you will see reflected below in the very reasonable costs. Registration includes; pitch fees over £600, insurance £180, League affiliation £50, outstanding League debt including fines, FA affiliation £50 and weekly indoor training session (facility has to be paid for once we move inside).

 Please complete in BLOCK CAPITALS and return to me electronically (if possible; panton.gary@gmail.com) otherwise by hand.
